No. 6 "Flames of Peril"

Alan rescues Helen from being buried in the blizzard and together they continue the pursuit of Bob, Dan and Pierre, the fur pirates. Madge discovers that Alan's secret trips have been made in search for gold. Alan is accused by Mears of fur stealing and threatens a war to the end of one or the other of the companies. Ma Se Bi's friends, indignant at his arrest by Mears, storm the fort but Alan forces Ma Se Bi's release and saves Mears, Helen and Allerdyce. The Indians, grateful to Alan, promise to trade with him. Madge and Blake plot to discover Alan's mine and Allerdyce is appointed manager of the company over Mears who refuses to recognize him as such. Alan and Pierre fight over spoils, overturning lamp and setting fire to fort imperiling Helen's life.
